rovers © 2013 The Guilford Press

Consider next that most people who need to make a change are ambivalent about doing so. They see both reasons to change and reasons not to. They want to change and they don't want to, all at the same time. It is a normal human experience. In fact, it is an ordinary part of the change ...

Building Skills in Motivational Interviewing

A third edition, *Motivational Interviewing: Helping People Change*, 2013, expanded on the MI approach and included some new ideas such as the four processes of MI conversations: engaging, focusing, evoking, and planning. MI is defined as “a collaborative conversation style for strengthening a person's own motivation and commitment to change”.
