memory politics and commemoration, social science disciplines have emerged with a new found heuristic for understanding history, identity, social movements and social relations After the rediscovery of Maurice Halbwach's book, *On Collective Memory*, social scientists began to reexamine the ways in which the past affects the present Catholic Pilgrimage in Northern Michigan

17 Norkunas, *The Politics of Public Memory*, 26 The National Shrine of the Cross in the Woods The construction of The National Shrine of the Cross in the Woods in Indian River began in 1946 The main focus is a 55 foot crucifix that rises from the property The shrine also

Present Pasts: Media, Politics, Amnesia

since Bitburg," History and Memory 9 (1997): 226-55 9 Of course, the use of Holocaust memory as a prism for the events in Rwanda is highly problematic, since it cannot acknowledge the specific problems arising within a postcolonial memory politics. But that was never the issue in Western media accounts on memory politics in various Forefathers' Day Orations: An Introduction and Checklist

STUDIES of collective memory and identity politics have rekindled interest in one of the most productive narratives of American history. The foundational saga of the Pilgrims and On the Civil War in American public memory recently, see especially Jim Cullen, *The Civil War in Popular Culture: A Reusable Film* (Washington: Smithsonian) Recent Scholarship on Memory and History

Hobsbawm and Ranger's point that collective memory is constructed and that the key to its influence is political power. Contests over the use of such power—the politics of public memory—are the stuff of these histories of commemoration. The model for this approach was that ...

War Memorials as Political Memory

A business that trades on war memory and a school named after a war hero that serves a public function could both fulfill the social purpose of providing service. Memorabilia displays and war dramas also serve persons who want to attend or to participate in them. In these examples, war memory is less important than are public preferences for
