

KTI ECP

Mini-Fish Summer Program

This new summer program is designed especially for children entering a 2's class.

This summer, little ones will enjoy our beautiful, fenced-in property complete with play equipment, picnic tables and a shade tent. They will be able to climb, ride and frolic through a developmentally appropriate water park complete with their own "mini-car wash". Happily, they will experience the friendship of their peers, as well as the care and nurturing of our teachers and counselors. In case of inclement weather, we have air conditioned classrooms and a gross motor room all set up! Story time, singing, nature, gardening and crafts round out this lovely first camp experience. The added bonus is that the Mini-Fish camp is a great opportunity for your child to transition to the school year program.

Wednesday, July 5 - Thursday August 10

Tuesdays • Wednesdays • Thursdays 9 - 11:30am

\$ 1275
